Dear Mr. Rose:

I received the pants last week, but I put off writing you until now, as I wanted to be able to get every thing straight. Now I had a ballplayer come in and try on the pants, and some of them are really a great deal too large. I dont understand one of the old pairs of 40's are so small, but all the new 40's are very full. Maybe they shrunk a great deal in cleaning. Anyway I have to send back about 5 pairs, and I think the problem will be best solved if the large ones are sent back and they are cut down to sizes 38 and 36. I asked for one extra large pair for Mackey. They made his size 44, but they also made 4 other pairs 44.

Please write me right away, and tell me where to ship the pants, and I will do so at once.

I was a little surprised that they were not made with zippers. Spaulding is using them on all their pants now.

Please have the bill dated for payment in May. I also want two gross of balls, but I want that bill dated for May also. Can you take care of this for me or will you prefer having me write directly to the office.

I am sure you have heard by now, the west adopted the ball. They all seemed quite thrilled about the penants and trophy.

Please let me hear from you as soon as possible.

Very Truly Yours
